

## **The Gate Golf Club Introduces Scott McGregor as General Manager**

(NAPLES, FL — April 27, 2026) — [The Gate Golf Club](#) (“The Gate”) is proud to announce Scott McGregor as General Manager.

As General Manager, McGregor will play a key role in building the team and leading efforts ahead of The Gate’s targeted opening in December 2026. He’ll work closely with [ownership](#) and the [leadership team](#) to oversee club operations, including golf, food and beverage, and events.

“We are excited to welcome Scott to the team,” said The Gate Golf Club President and Board Chair Kristina Schmieding. “His experience and focus on delivering exceptional guest experiences, combined with his proven track record in opening and operating restaurants and golf facilities, strongly align with our mission to deliver a vibrant, community-focused golf and entertainment experience.”

McGregor brings more than 30 years experience in the hospitality industry, with a strong background in leading large-scale operations and developing high-performing food and beverage concepts. He has held leadership roles with premier brands, including Sheraton Hotels & Resorts, Hilton Hotels & Resorts, and Topgolf Corp. In addition, McGregor has overseen multi-unit operations with Aramark and Palmas Restaurant Group at the Walt Disney World Resort. Most recently, he served as Senior Director of Food and Beverage at South Seas on Captiva Island, where he led the development and operation of multiple dining venues as part of the resort’s redevelopment efforts.

“I am honored to join The Gate Golf Club at such an exciting stage as we prepare for opening,” said McGregor. “The vision for this property is truly unique, and I look forward to working with the team to deliver an exceptional experience for the community and help grow the game and lifestyle of golf in Southwest Florida.”

Upon opening, McGregor will oversee The Gate’s signature amenities, including:

- A dynamic 9-hole, par-35 golf course designed by legendary professional golfer Peter Jacobsen and Jacobsen-Hardy Golf Course Design
- An expansive, illuminated natural-grass putting green, featuring a dedicated 18-hole putting course with changing layouts
- The Bays, an illuminated, high-tech practice range featuring 30 covered hitting bays outfitted with comfortable lounge seating and food and beverage service
- Oakwood Grill, a full-service restaurant offering lunch and dinner with scenic views overlooking both the golf course and putting course
- The Pavilion, an outdoor bar and event space for community gatherings, private events, and casual dining

- The Gimme, a modern concessions concept serving breakfast, casual fare, and beverages, supporting service across The Bays, The Pavilion, the social lawn and the putting course

## **About The Gate Golf Club**

Opening in late 2026, The Gate Golf Club will be Naples' first nonprofit, public golf destination, where a love for the game and community comes together with state-of-the-art amenities.

The Gate will feature a regulation-length 9-hole course totaling 3,369 yards, designed by legendary golfer Peter Jacobsen and Jacobsen-Hardy Golf Course Design, along with a full-length illuminated practice range and a 48,500-square-foot putting green with an 18-hole putting course.

The Gate is committed to three core pillars: providing high-quality experiences at accessible rates for the Southwest Florida community, educating and training the next generation of hospitality and golf professionals, and introducing new players to the game through integration with [First Tee - Naples/Collier](#) programming.
